Hon. [illegible] Mann,
Brunswick, Ga.

Dear Mr. Mann:

I believe you told me that your grandmother was a Collier, or was a descendant of Vince Collier. Would you object to telling me which one of Vince' sons was her grandfather? In other words, give me the name of her father, her grandfather, and if possible, her great-grandfather's name.

With mutual kind regards, I beg to remain

Yours most respectfully,
